

## Free access to over 7 million scholarships!

Every journey benefits from a roadmap, and your academic adventures are no different. By offering *free and direct* access to college and university scholarships from around the country, **TFS Scholarships** expertly delivers funding opportunities best-suited for you – and sets you squarely on a path for success. With TFS, you'll discover:

- \$41 billion in college funding
- 5,000 new scholarships added every month
- Tools that match you with only the most relevant results
- A safe and trusted place to search – no ads, and no selling of your data

“Thanks to the scholarship I found on TFS, I don’t have the pressure of finances on me all the time.”

- Jessica, 18

Offering expert guidance to academic funding and to the career path that follows your college experience, it’s no wonder TFS has grown to become the most comprehensive scholarship service on the web. Additionally, be sure to follow TFS on Twitter, Facebook, and Instagram – where you’ll find more great resources like the Scholarship of the Day.
