

# Free access to over 7 million scholarships!

**TFS Scholarships** understands a great education is truly priceless. That's why it offers *free and direct* access to college and university scholarships from around the country. With the help of TFS, you'll easily be able to find financial support best-suited for every student, including:

- \$41 billion in college funding
- 5,000 new scholarships added every month
- Tools that match you with only the most relevant results
- A safe and trusted place to search – no ads, and no selling of your data

“Thanks to the scholarship I found on TFS, I don’t have the pressure of finances on me all the time.”

- Jessica, 18

With just a few clicks, TFS helps students and their families chart an affordable path to college or graduate school. Take a few minutes to get more information on how TFS Scholarships can launch you or your loved ones towards a brighter future. Additionally, be sure to follow TFS on Twitter, Facebook, and Instagram – where you'll find more great resources like the Scholarship of the Day.
