

# Free access to over 7 million scholarships!

**What if you could keep your focus on your education, instead of on how to pay for it?**

**TFS Scholarships** makes that possible by offering *free and direct* access to local and national scholarships. We recommend checking out this great resource to find the financial support best-suited for you, including:

- \$41 billion in college funding
- 5,000 new scholarships added every month
- Tools that match you with only the most relevant results
- A safe and trusted place to search – no ads, and no selling of your data

“Thanks to the scholarship I found on TFS, I don’t have the pressure of finances on me all the time.”

- Jessica, 18

Started in 1987 as a passion project, TFS Scholarships is now the most comprehensive scholarship service on the web. All features are completely free – from the search database to the career quiz. Be sure to also follow TFS Scholarships on social media, where you’ll find a new Scholarship of the Day posted on Twitter, Facebook, and Instagram.
