

7 million scholarships — all in one remarkable resource.

Founded in 1987, TFS Scholarships began as a passion project to help students. Today it's the most comprehensive scholarship resource on the web, offering:

- \$41 billion in college funding
- A safe and trusted place to search: no ads and no selling of personal data
- Local and national scholarships to increase your students' opportunities to earn funding
- 5,000 new scholarships added every month
- Tailored guidance towards each student's career path and interests
- Extensive filtering tools to easily identify opportunities that best fit each student

All for FREE, TFS streamlines success in finding:

Scholarships

Most scholarships accessible through TFS come directly from colleges and universities around the country — ultimately saving time and reducing competition.
